GC43 enacted all seven remits that originated at GC42 three years ago. Remit enactment represents one of the biggest structural changes in the history of The United Church of Canada. Before reaching the floor of GC43, a strong majority of pastoral charges and presbyteries voted in favour of the remits. "Now the stage is set for a new structure that will take us into the years ahead," says David Allen, Remit Implementation Project Leader with the United Church. "We can look forward to how the new structures will reflect our faithfulness to God in the future." Detailed information can be found [here](#).

The United Church of Canada has elected the [Rev. Richard Bott](#) as its 43rd Moderator from a field of 10 nominees. In Oshawa, ON, over 300 commissioners gathered to decide on a wide range of church business including the election of the Moderator. The Rev. Bott recently served as the minister for Pacific Spirit United Church in Vancouver. Born in Marathon, ON, the Rev. Bott has served churches in Ontario and British Columbia. He is well known for his skills as a leader, writer, and educator. An early adopter of social media, he manages a Facebook group of over 700 United Church ministers. Looking ahead to the next three years, the Rev. Bott says, "I am excited about the possibilities that are in front of the church and hopeful that we are going to live into them together." Installation of the new Moderator took place on Friday, July 27th at the closing worship service of the meeting.
