

SOCK DRIVE

Socks, socks calling all SOCKS!

Come find a new home at the Main Street Project!

Socks are needed at the Main Street Project. The third annual *Socktober* campaign has begun and we will help collect 20,000 pairs of new & gently used socks.

Clean, new & gently used socks can be left at the display outside the church office until the end of October.

Help us keep feet & toes warm this year.
