**June Climate Tidbit**

Good news! Close to 60 countries gathered in [Santa Marta](#) in April to make concrete plans to transition away from fossil fuels! Electric cars are now mainstream! Wind and solar power are the cheapest electricity on the planet! [Heat pumps](#) come up in most heating and cooling discussions! Winnipeg's bird-friendly windows by-law wasn't scrapped because concerned citizens spoke up! ACTION TIP: Be grateful for the climate-leaders, the climate tech, the vocal citizens; take time to CONNECT with the wind, the sun and all the Earth's resources.

Charleswood United Church would like to acknowledge the commitment and accomplishment made by graduates of high schools, universities and vocational colleges. Please contact the office should you know of a 2026 graduate and a card will be sent to them from the church. Congratulations and best wishes as you begin a new chapter in your lives!

We kindly ask that on Sunday morning you complete drop-offs *under the canopy from the east*. Please do not stop in the fire lane as this creates a significant hazard. We want to keep this lane clear and remove the possibility of accidents. Thank you for your co-operation.

**Summer Potted Plants Maintenance** - We have again been blessed with beautiful potted plants at the south entrance and volunteers are needed to tend them. We ask that you sign-up for any week (s), Monday through Sunday, to water and maintain the pots as necessary. Please add your name to the volunteer board sign-up sheet as you are able. Thank you.

Happy birthday and best wishes are extended to Linda Campbell who celebrated her 80<sup>th</sup> birthday yesterday. We pray that God's blessings are upon you today and always.
