### July Climate Tidbit

While armed conflicts continue, 2026 is forecast to bring a super El Niño which will make fall/winter disasters more frequent, intense and last longer. Nature and people living where these climate disasters take place, experience often dramatic harm on top of losses from war.

**ACTION TIP:** Stay aware of places (close to home or far away) where climate disasters are worsening and as you are able, GIVE personal (time, money, energy, prayer) resources.

### BACK TO SCHOOL SUPPLY DRIVE

**Heads Up!** The Mission & Social Action Committee will again host a school supply drive in support of Westgrove School, from July 13<sup>th</sup> to September 7<sup>th</sup>. A complete list of requested items will be available shortly. We thank you so much for your past and continuing support.

We kindly ask that on Sunday morning you complete drop-offs *under the canopy from the east*. Please do not stop in the fire lane as this creates a significant hazard. We want to keep this lane clear and remove the possibility of accidents.

Thank you for your co-operation.

**Summer Potted Plants Maintenance** - We have again been blessed with beautiful potted plants at the south entrance and volunteers are needed to tend them. We ask that you sign-up for any week (s), Monday through Sunday, to water and maintain the pots as necessary. Please add your name to the volunteer board sign-up sheet as you are able. Thank you.

### West Broadway needs your help!

This inner city ministry is in need of coffee for their guests. Donations of regular grind coffee can be left in the entryway bench. We thank you for your generous support of this ministry.
