July Climate Tidbit

While armed conflicts continue, 2026 is forecast to bring a super El Nino which will make fall/winter disasters more frequent, intense and last longer. Nature and people living where these climate disasters take place, experience often dramatic harm on top of losses from war.

ACTION TIP: Stay aware of places (close to home or far away) where climate disasters are worsening and as you are able, GIVE personal (time, money, energy, prayer) resources.

Heads Up! The Mission & Social Action Committee is again asking for your assistance in collecting school supplies for Westgrove School. The school supply drive will run until Sunday, September 7th. Delivery will occur after Labour Day. Requested items, in order of need, are pencils, glue sticks, markers, erasers, Hilroy scribblers, coloured Sharpies, crayons, pencil sharpeners & small whiteboard markers. We thank you so much for your past and continuing support.

Summer Potted Plants Maintenance - We have again been blessed with beautiful potted plants at the south entrance and volunteers are needed to tend them. We ask that you sign-up for any week (s), Monday through Sunday, to water and maintain the pots as necessary. Please add your name to the volunteer board sign-up sheet as you are able. Thank you.

West Broadway needs your help!
This inner city ministry is in need of coffee for their guests. Donations of regular grind coffee can be left in the entryway bench. We thank you for your generous support of this ministry.

Thanks and praise are extended to the Care & Community Committee for their generous donation of \$4,500.00 to the church. We are deeply appreciative of this gift as well as for the care and hospitality extended to those who gather in this place. Your dedication extends beyond the service of food and we are grateful.

Please take a peek at the sign-up sheets at the north window. There are slots open for greeters, at the welcome table, Scripture reading and collecting offering. How can you serve this congregation?
